

# Do you have a dog?

## Volunteers Needed!

Share your dog's love with the BronxCare community by having him or her become a volunteer therapy dog team with The Good Dog Foundation.

The Good Dog Foundation is a non-profit organization that trains and certifies dog owners and their dogs to become volunteer therapy dog teams. These teams bring joy to patients, their families, employees, and the community.

BronxCare is partnering with the Good Dog Foundation, supporting FREE certification classes for volunteers. The Good Dog Foundation will provide the training needed to become a Certified Dog Therapy team. After certification, the Good Dog staff will help schedule your visits to BronxCare.

Good Dog welcomes dogs of all breeds and backgrounds.

Your dog must be at least one year of age. You must also be at least 18 years old.
